From the middle of 2001 to November 2003 KLN was pretty much non-existent because of the lack of interest in people running for office (or the lack of contact by the Nomination Board Member).

November 3, 2003 Jo Ann Wever and Jeanie Carman met and Jeanie sent out a letter and survey from Jo Ann to the membership trying to get KLN active. We needed a President Elect and 4 Directors. The response was 5 for none at this time. It was also asked who would be interested in attending a workshop or annual meeting in March or June. 3 answered March and 3 answered June. Another question was NLN membership and 5 said they were members. We asked about KLN membership (Reduced Rate) 3 said yes and 1 said no. We asked about receiving a KLN Newsletter and 6 said yes. They were asked to return the survey before November 15, 2003. We received 6 post card responses, 3 returned letters (wrong address).
